## Snow Removal Procedures

Please note the following procedures:

1. The roadway and parking lot entry plowing will begin with an accumulation of 2 to 3" and maintained to allow safe passage to the mail house throughout the storm.
2. Immediately following the storm, the roadway and parking lot entries will be plowed to their full width and plowing of the parking spaces will begin.
3. It is your responsibility to move your car out of its space to ensure that the spaces are properly cleared and to prevent your vehicle from being plowed in. Do not park in the street until **after** the storm. The vendor cannot plow Tideview Drive with vehicles parked on it. It is also the responsibility of the vehicle owner to move from Tideview Drive after parking spaces are cleared.
4. In order for the vendor to plow the property effectively, all vehicles must be parked only on the '**even address**' side of the main road. That is, the left side of the road as you drive into Tideview Estates.
5. If you are going to be away or unavailable to move your vehicle after a storm, please make arrangements with a neighbor to have it removed when the plow arrives.

**ANY VEHICLE FOUND BLOCKING SNOW REMOVAL OPERATIONS MAY BE TOWED, WITHOUT WARNING, AT THE VEHICLE OWNER'S EXPENSE.**
